

Architecture Board

- Endorsed for publication:
 - Automated Source Code Resource Sustainability Measure RFC
- Endorsed for adoption:
 - Pedigree and Provenance Model and Notation (PPMN) Revised Submission
 - SysML 1.7 RTF Report
 - IDL4 to C++ Language Mapping Revised Submission

- **AB Election at 2022Q4**
 - Five seats (+ 1 by-election for one year term)
 - Nominations due NOVEMBER 10th
 - Nominations can be done online: <https://www.omg.org/members/ab-nomination-form.htm>
 - New Employer Approval Letter! (Not so scary sounding)
- **Guidance needed on when / how to split a spec**
- **Adjustments to RFI process**
 - Electronic responses in a form style
 - Individual responses (privacy concerns, anonymization of data)
 - Short form vs. long form response data
 - Goal is to have basic framework in place by 2022Q4 meeting
