Reporting Chair: Ed Seidewitz

Group page (URL): <http://www.omgwiki.org/model-interchange/doku.php>

Group email: model-interchange@omg.org

Model Interchange Special Interest Group

- **Highlights from this Meeting:**

- UML/SysML Model Interchange Working Group

- Held a joint meeting with the Unified Architecture Framework (UAF) FTF
- Introduced OMG model interchange standards and the MI SIG to NATO representatives.
- Discussed challenges, status and future of model interchange with UPDM/UAF.

- BPMN Working Group

- Held a meet and greet event: “BPMN in Action”.
- Did a BPMN interchange capability demo.
 - 20 tools doing modeling and then 3 tools executing the model.
- 45 people in attendance in the room, about 15 people watching the live stream remotely

- **Agenda Items for the Next Meeting:**

- Discuss resuming work on UPDM/UAF interchange test cases.
